10th Supplemental Information Disclosure Statement per 37 C.F.R. §1.98

Sir:

Pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, applicants bring thirty-three documents to the attention of the Examiner in the above-identified application. Enclosed are copies of fourteen non-Patent reference documents listed on the enclosed one-page form PTO-1449. Copies of the nineteen U.S. Patent documents are not enclosed. Many of these documents were previously submitted, however, these documents were submitted in a Information Disclosure Statement after a final rejection and may have not been considered.

Because prosecution has been reopened with a non-final Office Action, applicants are submitting the referenced documents for consideration by the Examiner under 37 C.F.R. § 1.97(c)(2) along with the requisite fee of \$180.00.

Citation of these documents shall not be construed as an admission that the documents are prior art with respect to the instant invention, a representation that a search has been made, or an admission that the information cited herein is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450 Alexandria, VA 22313-1450, on February 27, 2006.
